【Open period】 May 7, 2025 — July 18, 2025

【Day / Time】 Wednesday / Friday : 14:45~16:15

Some days may not be available due to certain reasons. Please check the calendar for availability.

【Subject】 students/staff

【Usage limit】 Maximum of 15 people.

## 【Precautions when using 】

### 1 . About entering and leaving the training room

- When entering the room, please write your name, student ID number/faculty number, and entry time at the reception desk.
- When you leave the room, please write down the time at the reception desk.

### 2 . About using the changing room

- Showers in changing rooms are available.
- Don't leave your luggage in the changing room and bring it to the training room.
- Please take care of your valuables by yourself.

### 3 . Measures to prevent the spread of infection during use

- The wearing of masks is left to the discretion of the individual.
- Please bring 2 towels. Use them for wiping sweat and for wiping the machine.
- After use, please disinfect the parts that come into contact with each device.
- Please refrain from talking in a loud voice.
- In principle, the use of the free weight area is prohibited.

### 4 . others

- If you are using it for the first time, we will explain how to use it, so please let the person in charge know when you enter the room.
- The university has completed uniform infectious disease control measures on May 7, 2023, but please manage each of them.
